

HIGH END RESILIENT FLOOR

HERF ISOCORE

DESIGNED BY EVORICH IN SINGAPORE

PLANKS & TILES SERIES

Floors we grow up with...
EVORICH[®]
Since 2003

Ultra-Fresh is a registered trademark of Thomson Research Associates Inc.

**Ceramic Bead Overlay
Treated with Ultra-Fresh**
Microscopic ceramic particles suspended in a UV cures urethane coating for superior wear and stain resistance and easy care and maintenance. Ultra-Fresh antimicrobial additive inhibits the growth of odor- and stain-causing mold and mildew

Clear Wear Layer
Transparent vinyl layer provides protection against scuffs and abrasions

Premium Virgin Vinyl Layer
Solid virgin vinyl enhances durability, provides resistance against dents and chips and offers embossing

Easy Drop-and-Lock Installation
End joints utilize drop-and-lock system technology to facilitate a fold-down locking connection that dramatically expedites installation speed and aligns the top-surfaces of adjoining planks and tiles

ISOCORE Technology
Engineered closed-cell PVC structural core is 100% waterproof, lightweight and dimensionally stable so it resists expansion and contraction

Integral Sound Mitigating Underlayment
A pre-attached underlayment that minimizes both reflected and transmitted sound is shock-absorbing, provides warmth and comfort underfoot and helps further conceal subfloor imperfections

High-Resolution Printed Decorative Film
High-resolution printed film delivers the beauty and realism of natural wood, stone, masonry and leather with vivid clarity

HIGH END RESILIENT FLOOR

HERF ISOCORE

DESIGNED BY EVORICH IN SINGAPORE

PLANKS & TILES SERIES

The HERF **ISOCORE (Planks)** combines simple drop-and-lock installation featuring innovative **ISOCORE Technology™** - a waterproof, strong, and stable core that offers outstanding performance, durability and longevity. Tiles even have a sound-mitigating underlayment to help minimize sound travel.

Easy drop-and-lock installation

Innovative DropLock 100 end joints lock together easily. Quickly transform your room in 3 simple steps.

Floating Floor

Installs over most existing surfaces including concrete, wood and vinyl with no special tools, glue or underlayment needed.

100% Waterproof

Perfect for active families. Protects against warping and expansion / contraction.

Ultra-Fresh Treatment

Inhibits the growth of odor and stain causing mold and mildew on the attached underlayment and the top surface of the flooring.

Tested under ASTM test method G21, Ultra-Fresh is a registered trademark of Thomson Research Associates Inc.

Sound-Mitigating Underlayment

Pre-attached underlayment provides a floor that's warm, comfortable, and quiet underfoot.

Durable

A ceramic bead overlay with clear wear layer protects the floor from scratches, scuffs and stains.

Below/on/above grade

Can be installed almost anywhere in your home or business including kitchens, bathrooms and basements.

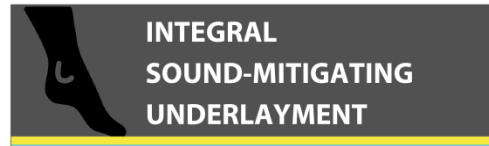

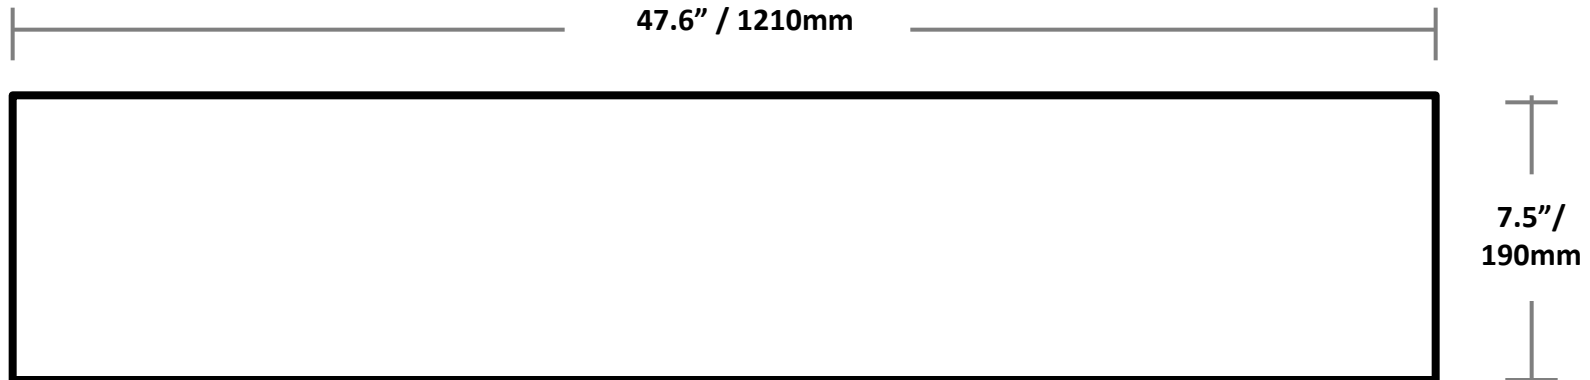

Easy to clean and maintain

Just vacuum or dust mop, no need to wax, polish or refinish.

1 Angle

2 Drop

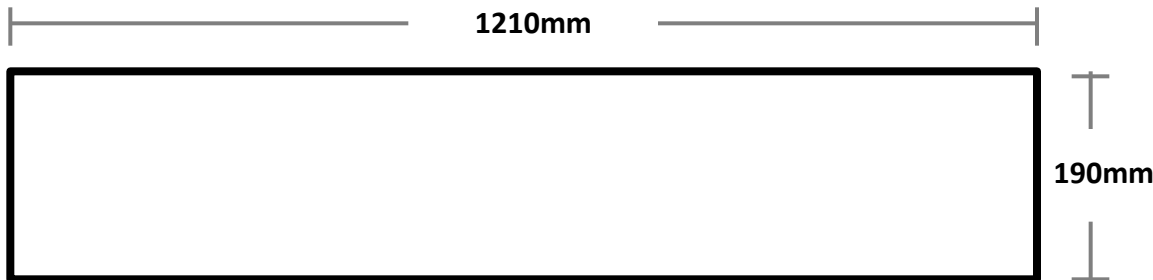

3 Lock

HERF ISOCORE Plank Series (upgraded version) is a high-performing product that caters to your daily lifestyle as well as addressing your health concerns. It has lesser joints for a sleeker look and is made wider to help elongate the area. This way, it gives your home the illusion of a broader space.

Dimensions:

HERF ISOCORE - Plank Series marks a whole new level of authenticity in wood grain design.

HERF ISOCORE - Plank Series address the demand for larger plank and print widths, while our new in-register embossing textures really capture the intricate figuring and grain of reclaimed or repurposed wood.
