Luxury Wall Tiles

IF WALLS COULD TALK

If walls could talk, they'd say that adding a little life to them is a creative way to liven up your home or commercial interiors. Now you can make your walls sing just by re-imagining the way you think about wall coverings. And evoWALLS Luxury Wall Tiles are just what you need to spur your imagination.

FEATURES

evoWALLS is the first innovative wall product as an alternative to wallpaper, paint paneling, ceramic or any other traditional wall covering.

Ceramic Tiles

VS

Painted Walls

evowALLS®

Why choose **evoWALLS®**?

Durability

Ceramic Tiles: Prone to cracks and other damages.

Painted Walls: Paint can chip and repairing and repainting will be necessary.

evoWALLS: Equipped with Ceramic Bead Technology in the coatings for wear resistance and durability.

Installation

Ceramic Tiles: Installing and removing existing tiles can be hard, messy and costly.

Painted Walls: Must wait for the paint to dry before using the area.

evoWALLS: Easy to install and remove. Area can be used within a few hours after installation.

Maintenance

Ceramic Tiles: Grout lines are difficult to clean.

Painted Walls: Require new coating every few years.

evoWALLS: Does not require any special maintenance regime.

Practicality

Ceramic Tiles: Not eco-friendly as ceramic is not recyclable, and contributes towards land-fill.

Painted Walls: contain potentially harmful chemicals such as solvents and volatile organic compounds (VOCs).

evoWALLS: Guaranteed safe as it is constructed from pure vinyl pulp and uses eco-friendly adhesive.

Tiles can be installed in multiple patterns:

Warranty

3 Years Limited Residential Warranty

EVORICH warrants that its evoWALLS (Verlux Collection) will be free from manufacturing defects for 3 years from the date of purchase. This Limited Warranty only applies provided the evoWALLS (Verlux Collection) is installed and maintained according to EVORICH's certified installers. evoWALLS (Verlux Collection) should be used only in interior temperature controlled environments.

Pre-Installation

EVORICH warrants that evoWALLS (Verlux Collection) is free of visual defects. You and/or EVORICH's certified installers should carefully inspect each piece before installation. Any tiles that appear to have a defect should not be installed. EVORICH will not be responsible for any claim for tiles installed with visual defects.

Terms of Warranty

WITHIN 3 years – If a defect covered by this warranty is found and reported to EVORICH in writing within 3 years of the date of the purchase, EVORICH will supply new materials of similar colour, pattern and quality to replace the defective tiles. If the current design is no longer in production, EVORICH reserves the right to replace with another design.

* This warranty does not include labour or the cost for installation of the replacement of tiles.

This warranty also covers the following terms and conditions:

- A. The warranty for all evoWALLS (Verlux Collection) products distributed under EVORICH is protected against water damage and termite damage on the product.
- B. If evoWALLS (Verlux Collection) is damaged by water or termite attack, the end-user has the right to request EVORICH and its contractors to change the default product or refund a reasonable cost of the flooring products installed at the discretion of Evorich Flooring Group.
- C. Surface will not wear through the decorative surface (Scratches or loss of gloss is not considered as wear) when evoWALLS (Verlux Collection) is subject to normal usage.
- D. evoWALLS (Verlux Collection) will not fade when subject to normal usage.
- E. EVORICH warrants end-users of evoWALLS (Verlux Collection) from any detachment, separation, loosing or breaking off from the wall where it is glued / attached.
- F. EVORICH also warrants end-users from patches of discoloration within the same tile / plank of the wall.

Warranty Exclusions:

- Dissatisfaction or damage due to improper installation or maintenance;
- Labor charges for installation or removal of apparent defective tiles at the time of installation;
- Damage caused by fire or burns, abuse, flooding, leaks, smoke, fumes, construction or installation;
- Normal wear and tear or shade variations due to exposure to incandescent light;
- Exterior application;
- Installation in Saunas, Sunrooms, Solariums, Boats, Campers, or RV's;
- Scratches or damage caused by handling or instruments;
- Minor shading, color or texture differences between samples, replacement tiles or printed color photographs or illustrations and delivered product;
- Products sold as irregulars or trial grade materials or "as is";
- Damages caused by misuse or any horizontal installation;
- This warranty is void if the tiles are not continuously maintained at a temperature between 65°-85° Fahrenheit (18°-30° Celsius).

NOTE: evoWALLS (Verlux Collection) may be installed in bathrooms and showers/tub surrounds in accordance with EVORICH's installation instructions with certified installation team. **However, damage caused by nonstandard conditions of standing water, moisture, leaks, condensation or excessive humidity may facilitate the growth of mold. Damage caused by mold are not covered by this warranty and is not the responsibility of EVORICH;**

All evoWALLS are meant to be used as aesthetic makeovers or decorations in toilets, kitchens or any indoor living environment. Avoid using household cleaning agents with strong chemical content for cleaning purpose.

- Loss due to loss of times, inconvenience, incidental expenses (such as telephone calls, labor and/or materials) incurred in removal or reinstallation of the affected material, and any other incidental or consequential damages.

Please keep your invoice or obtain it from the original purchaser. EVORICH needs the receipt in order to verify the date of purchase to help resolve any problems.

Warranty Owner

This warranty applies only to a residential homeowner who is the original purchaser of evoWALLS (Verlux Collection), not to any subsequent homeowner.
